

## Purpose of this form:

You have been specially requested to complete this form because you are a premium Betfair customer. The purpose of this form is to enable you to verify your name, address, date of birth and funding method by taking your personal identification documents to any Post Office® branch in the UK. Betfair and the Post Office® are working together to make this process as easy and secure for you as possible.

## Instructions:

Please print out this form and fill in all the details shown below - these must match the details on your Betfair account. Then select three personal identification documents from the lists below and, with this completed form, take them to any Post Office®. If you would like help in finding your nearest Post Office® branch please call the Post Office® helpline on **08457 22 33 44** or logon to [www.postoffice.co.uk](http://www.postoffice.co.uk). The Post Office® representative will cross-check your personal details against your documents and enter your details into the Post Office® computer system. You will then be issued with a receipt and your verified personal details will be forwarded electronically to Betfair, where your details are confirmed against those on your Betfair account. There is absolutely no charge for this service. If you require any help or assistance please contact Betfair on **0870 0110 444** or email: [info@betfair.com](mailto:info@betfair.com)

## Fill in Your Details:

Title <input type="text"/>	Date of Birth <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>	House Name/Number <input type="text"/>
First Name <input type="text"/>		Street Name <input type="text"/>
Middle Name <input type="text"/>		Town <input type="text"/>
Surname <input type="text"/>		City <input type="text"/>
		Postcode <input type="text"/>
Funding Method e.g. credit/debit card or current account <input type="text"/>		Last four digits of credit/debit card or bank account <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>
